Why This Matters

As a manager or director, you play a critical role in turning enterprise strategy into action. Team members look to you to help them understand what organizational priorities mean for their work, decisions, and goals. The Strategic Imperatives provide a consistent framework to guide conversations, focus efforts, and align teams around what matters most.

- Creates a direct line between enterprise strategy and team execution.
- Helps teams prioritize work and make informed decisions.
- Strengthens engagement by connecting individual contributions to a larger purpose.

Manager/Director Leader Role

TRANSLATE priorities

CONNECT daily work

ENABLE success

REINFORCE accountability

The delivery of exceptional access, experience safety and outcomes.

COMMITMENT | Make strategy relevant, connect it to daily work, and create accountability for results.
